Not that **RICHARD BEBAN** is ever at a loss for words, as you'll find out, he believes the best (and most extensive) interview he's ever done is at <http://www.pifmagazine.com/SID/813/>, and that if you have any MORE questions after reading it about him, his varied writing career (which

encompasses movies, television, newspapers, magazines, environmental pr writing, etc.) and his passion, poetry, you might just as well e-mail him ([beban@beban.org](mailto:beban@beban.org)) and ask personally (You can also check out his Curricula Vitae below for a staggering list of publications, awards, and accomplishments!).
