**DAVID LEE KIRKLAND** hails from Saint Charles, but harkens back to earlier times in his short story collection *The Yesteryear Tales*, which won the Ozark Writers' League award for Best Book of 2008.

His newest work, a study based on the Old Testament verse of Micah 6:8, was published in March 2009, concurrently with the reissue of *The Laughter of My Father*, a short story collection set in the Philippines that was a best seller in 1944. The day job focuses on the development and operation of assisted living facilities, primarily located in Florida.
