**Patricia Bubash, M.Ed, LPC** (pictured above with her editor Kattie) has always been an admirer of those who actually put pen to paper, fingers to keyboards, and wrote! Two years ago, she achieved a personal goal, completion of a book on remarriage. Believing in the concept of "write what you know", she utilized her experiences as a counselor for her topic.

Patricia has a B.S. in Elementary Education and a M.Ed. in Counseling. She is a Licensed Professional Counselor with over 30 years in the educational setting. The past six years have been spent in "reinventing" herself as an author.

Her admiration for those who have published is even greater now that she has experienced the reality of marketing a book. *Successful Second Marriages* is available on-line through Barnes and Noble.
